GROUP 210

RESPONSE

TO THE COMMISSIONER
OF PATENTS AND TRADEMARKS:

In the Office Action dated May 20, 1992, Applicant failed to receive Form PTO-892 (Notice of References Cited) or any of the references relied upon or cited by the Examiner in the Office Action.

Applicant may have several of these references, as noted on the Information Disclosure Statement filed April 24, 1992. However, Applicant cannot tell from the Examiner's action which references are being relied upon or cited, since no patent numbers appear in the Action.

Therefore, Applicant requests the Examiner mail a copy of Form PTO-892, along with copies of all references listed on that form that Applicant has not listed on his Information Disclosure Statement.

Because of Applicant's inability to respond to the present Office action, Applicant also requests pursuant to MPEP

§ 710.06 that his time to respond begin again with the additional mailing of the Notice of References Cited and missing references.

Respectfully submitted,
